Sir:

This responds to the October 25, 2005 Advisory Action in the above-identified application, and supplements the applicant's response to the May 9, 2005 Office Action. A Request for Continued Examination (RCE) is enclosed and accompanies this Response. Set out in the penultimate

paragraph in the Remarks section hereof is a **request under 37 CFR 1.136 for a further two-months extension of the term for reply to the May 9, 2005 Office Action** (a one-month extension previously having been obtained at the time of filing of the September 6, 2005 Response to the May 9, 2005 Office Action), **extending the term for response to November 9, 2005.**

A credit card authorization form is enclosed, authorizing charging of the credit card specified therein in the amount of the fee specified in 37 CFR 1.17 (a) (3), less the amount of the fee of \$120 already paid on September 6, 2005 for the one-month extension of the term under 37 CFR 1.136 (a) (1). The net amount of the extension of time fee payable therefore is $\$1020 - \$120 = \$900$, and such fee is included in the total authorized charge amount of \$1690, representing the extension of time fee of \$900 and the \$790 RCE fee.

Although no amendments of the claims are being presented in this Response, a listing of the pending claims as set out in **Section I (Pending Claims)** hereof, for ease of reference in connection with review of the ensuing remarks.

Remarks relating to the substance of the October 25, 2005 Advisory Action are set out in **Section II (Remarks)** hereof.
